

New entrance to Leybourne Country Park via the Ham Hill roundabout. You will no longer gain access to transition from Lunsford Lane so please use this car park.

Run Turnaround

Transition

550m Swim

Bridge

Metal Gate

Run - 5km

1. Leave transition and run to the left of the metal huts and continue on the compact gravel path going around the lake.
2. Once past the new houses you will get to a fork in the path, take the fork to the right, going around the metal gate and run the loop, passing over a wooden bridge where it then connects with the original path.
3. Run to the turnaround then back to the finish without going back around the loop.

New Houses
